

Job Description: Centre Manager

About Bucksmore

Bucksmore courses are for students aged 10-18 and have been modelled on American summer camps, with 'Counsellors' who live with students, teach lessons and lead excursions and activities, providing a higher level of pastoral care, guidance, and friendship – giving students more than just 'teachers' and 'activity leaders' at a summer school.

Recognising that high-achieving and well-motivated individual students wanted more from a UK summer school than just English language, excursions and afternoon activities, we have developed more challenging courses such as EFL based Young Leaders and the subject based courses Young Professionals, University Preparation and Advanced Studies. In 2019 Bucksmore were proud to have been awarded the PIONEER 'Language Educator of the Year' award showcasing our commitment to innovation and student involvement.

With 40 years of experience to perfect and improve the quality of our prestigious summer schools, we are proud of the summer programmes we offer. It is our goal for each one of our courses to be the best course that our students have ever attended. We welcome over 75 different student nationalities every year across our courses and ensure there is always a good mix of students on our courses.

The job demands a high degree of flexibility and will involve evening and weekend work. Staff will have one full day off per week.
