

Job Description: EFL Counsellor

About Bucksmore

Bucksmore courses are for students aged 10-18 and have been modelled on American summer camps, with 'Counsellors' who live with students, teach lessons and lead excursions and activities, providing a higher level of pastoral care, guidance, and friendship – giving students more than just 'teachers' and 'activity leaders' at a summer school.

Recognising that high-achieving and well-motivated individual students wanted more from a UK summer school than just English language, excursions and afternoon activities, we have developed more challenging courses such as EFL based Young Leaders and the subject based courses Young Professionals, University Preparation and Advanced Studies. In 2019 Bucksmore were proud to have been awarded the PIEoneer 'Language Educator of the Year' award showcasing our commitment to innovation and student involvement.

With 40 years of experience to perfect and improve the quality of our prestigious summer schools, we are proud of the summer programmes we offer. It is our goal for each one of our courses to be the best course that our students have ever attended. We welcome over 75 different student nationalities every year across our courses and ensure there is always a good mix of students on our courses.

EFL Counsellor - Further Information

Background: Students attending a Bucksmore summer programme receive a combination of English language tuition and a comprehensive activity programme including two full-day excursions and up to one half-day trip every week. There are activities every afternoon and evening with the excursions and trips spread throughout the week. Bucksmore students travel unaccompanied and are normally not part of a large, single nationality group that travel with a Group Leader/s. The Bucksmore philosophy is for students to mix with their fellow students and staff to make their time with us a rich and truly international cultural experience. The summer school environment is challenging, but also very rewarding. A good Bucksmore EFL Counsellor will be in possession of a wide variety of skills and personal qualities and be able to work well in a team.

Pastoral Care: Due to the nature of a residential summer camp, a Bucksmore EFL Counsellor should be aware that their role is not limited to just teaching. EFL Counsellors will fully participate in both providing the students' 24/7 pastoral care (including supervision at bed-time and wake-ups), and also in ensuring the students receive an entertaining activities and excursions programme.

Bucksmore is committed to safeguarding and promoting the welfare of children. The post holder's responsibilities for safeguarding the welfare of the young students for whom they are responsible and with whom they come into contact, will be to adhere to Bucksmore's Child Protection Policy.

The Working Week: The week is divided into various duties and staff will receive a weekly rota detailing the duties they are working each day. Typically this may involve the following: wake up/bed time duties, meal monitoring and supervisory duties, English tuition, afternoon and evening activities, full day or half day excursions and trips, meet and greet on arrival days, airport check-in assistance on departure days and general pastoral care and welfare. This list is not however exhaustive and you may be reasonably requested by a member of the centre management team to undertake another duty.

The role will require substantial amounts of walking when leading excursions and from time to time lifting and carrying equipment when setting up activities.

All residential staff will be asked to 'opt out' of the 48-hour working time directive. The job demands a high degree of flexibility and will involve evening and weekend work. Staff will have one full day off per week.
