

Bucksmore provides academic short courses to students aged 10-18 that have been modelled on American summer camps, with 'Counsellors' who live with students, teach lessons and lead excursions and activities, providing a higher level of pastoral care, guidance, and friendship – giving students more than just 'teachers' and 'activity leaders' at a summer school.

Recognising that high-achieving and well-motivated individual students wanted more from a UK summer school than just English language, excursions and afternoon activities, we have developed more challenging courses such as EFL based Young Leaders and the subject based courses Young Professionals, University Preparation and Advanced Studies. In 2019 Bucksmore were proud to have been awarded the PIONEER 'Language Educator of the Year' award showcasing our commitment to innovation and student involvement.

With over 40 years of experience to perfect and improve the quality of our prestigious summer schools, we are proud of the academic short courses we offer. It is our goal for each one of our courses to be the best course that our students have ever attended. We welcome over 75 different student nationalities every year across our courses and ensure there is always a good mix of students on our courses.

Activity Manager - Further Information

Background:

Students attending a Bucksmore summer programme receive a combination of English language or subject specific tuition combined with a comprehensive activity programme which includes two full-day excursions and up to one half-day trip every week. There are activities during the afternoon and evening with the excursions and trips spread throughout the week on designated days. Bucksmore students are mostly individual students as opposed to large, single nationality groups.

Pastoral Care:

The Centre Manager is the Safeguarding Lead at the centre, however the Activity Manager must adhere to the welfare policy at all times, and will be required to adhere to Bucksmore's Child Protection Policy. Due to the nature of a residential summer camp, a Activity Manager will be aware that their role is not limited to just running activities, but that students require 24/7 pastoral care, discipline if and when required, and supervision at bed-time and wake-ups. The Activity Manager plays a part in the management team for the care and safety of all students and staff on-site.

Activity Manager Commitment:

The AM role is an extremely demanding one. Successful AMs should be organised in planning all activities and excursions and remain calm in stressful situations that may occur.

The Working Week:

At least 48 hours per week. All residential staff will be asked to 'opt out' of the 48-hour working time directive. The job demands a high degree of flexibility and will involve evening and weekend work. Staff will have one full day off per week.
