Inspiring Environments to Learn, Play & Connect

Facilities include modern teaching facilities, including state-of-the-art laboratories and newly furnished boarding houses. Our state-of-the-art teaching buildings and secure boarding houses are surrounded by more than 23 acres of woodland, rolling fields, and open green spaces which free the mind.

There are also sports fields, recreation areas, and social spaces, where you can unwind with fellow students.

Where You'll Sleep

You will stay in modern, fully supervised residential accommodation with comfortable dormitory-style rooms. Our boarding houses are warm, welcoming spaces that offer both personal privacy and a strong feeling of community.

The charming, twin occupancy dorm rooms, separated by gender on each floor, are equipped with an ensuite or shared bathroom, a single bed, desk, storage space, lockable safe and wardrobe. Bedding is provided, with regular housekeeping services.

The Food

We can cater for students with allergies or dietary requirements notified to us. Our menus reflect the diversity of our students, and vegetarian and vegan options are available at all meals.

Breakfast includes fruit, cereal, toast and a cooked option, while lunch and dinner includes multiple choices of main course, dessert and a salad bar. On excursion days, a packed lunch is provided.

Please contact us if you would like to discuss your dietary needs.
